Please read before registering...

1. You MUST pre-register by sending us your Registration Form. MEAP Test Centers do not have extra testing materials to accommodate "walk-ins" or students who are assigned to a different MEAP Test Center.
2. You must receive a Confirmation Letter from us. Do not assume you have been assigned to a site simply because you sent in a Registration Form.
3. If your own school offers the MEAP tests, or if your school has made arrangements with another school for all students to test at some other school, you are not permitted to test at a MEAP Test Center.
4. **POSTMARK DEADLINE** - To maximize your chances of being assigned to the MEAP Test Center of your choice, mail your registration form before January 27, 2007. **Under NO circumstances will we accept a registration postmarked after February 28, 2007.** We do NOT accept registration forms via fax or email.
5. Test results from Fall 2006 will be available in mid-January 2007. Contact your nonpublic school's Guidance Office or your Principal. They can access your Fall 2006 scores from a secure website. If the school has trouble accessing your scores, have the school call the MEAP Office toll-free at 877-560-8378. We do NOT give scores to students/parents.
6. You will be assigned to *ONE* MEAP Test Center. You may not split locations. For example, you may not take two tests at MEAP Test Center #49 then two others at #52. If you fail to attend your assigned MEAP Test Center, you will NOT be permitted to attend a different MEAP Test Center.
7. Applications are processed on a first-come, first-served basis. If all your choices are full by the time we process your application, you will be assigned to a MEAP Test Center somewhere.

8. Plan your travel wisely. Testing begins as soon as the last student has checked in. If you arrive after your required arrival time, you may be denied access, regardless of the reason for your delay. Your Confirmation Letter will indicate your REQUIRED arrival time.
9. None of the MEAP tests are timed. Students have as much time as they need. Each test takes about two hours.
10. More information (a map to the location, what you must bring, etc.) will be provided in the **Confirmation Letter** we will send you. If you send in your Registration Form by January 27, we will send you a Confirmation Letter on February 23, 2007. If you register after January 27, your Confirmation Letter will be delayed commensurately.
11. Due to budget constraints, we do not offer more MEAP Test Centers than those listed. We reserve the right to cancel a MEAP Test Center or otherwise modify this schedule.
12. Listening and Social Studies are not required for the Michigan Merit Award, so they are not offered at MEAP Test Centers.
13. **Juniors:** Students in the high school graduating Class of 2008 and after must take the Michigan Merit Examination (MME) if they wish to qualify for a Michigan Merit Award scholarship. Students in the Class of 2007 may still take the MEAP tests to earn a Michigan Merit Award. If you are in the Class of 2008, go to our website (**www.michigan.gov/meap**), click on "MEAP Test Centers" near the bottom of that page, then follow the directions to register for an MME Auxiliary Test Center.
